

“At the end of the day, using *Paramount Acceptance* means no creative financing, no special deals, just money in our bank account. They are better than any finance company we have ever used.”

—Ron Littlebrant
COO of Gold's Gym of Utah

Problem: Collecting payments from customers is time consuming, expensive, painful, and somewhat unproductive.

Solution: *Paramount Acceptance* eliminates the process of collecting payments. Your focus is back on running health clubs.

Problem: Companies quote low collection rates and then fail to deliver on the service you expect.

Solution: *Paramount's* customer service is second to none. Companies switching to *Paramount Acceptance* begin to see measurable results in 30 days.

Problem: Handling recurring payments is a costly, inefficient process that diverts valuable resources from primary business purposes.

Solution: *Paramount Acceptance* uses an automated processing system and courteous telephone agents saving your company time, expenses, and revenues.

“We have used successful companies in the past, but the software, collections process, customer service, and attention to detail by *Paramount Acceptance* is on a different level from the rest. Simply put, *Paramount* saves us time and money.”

—Troy Peterson
CFO of Body Firm, LLC

Paramount Acceptance

You didn't get in the fitness business to spend all your time collecting and processing payments. Lucky for you, we did. Paramount Acceptance has been helping fitness centers for over 30 years. During that time we've learned a thing or two about collections. We pride ourselves on our ability to seamlessly collect and process from members. Our clientele includes some of the top players in the fitness industry. Let us show you what we can do.

The Mission of Paramount Acceptance is Three Fold:

- To Service Fitness Center Paper
- To Promote the Collectability of Fitness Center Paper
- To Promote Customer and Employee Satisfaction

“Paramount Acceptance has helped our fitness businesses throughout the world with collections and Automated Systems for over 30 Years.”

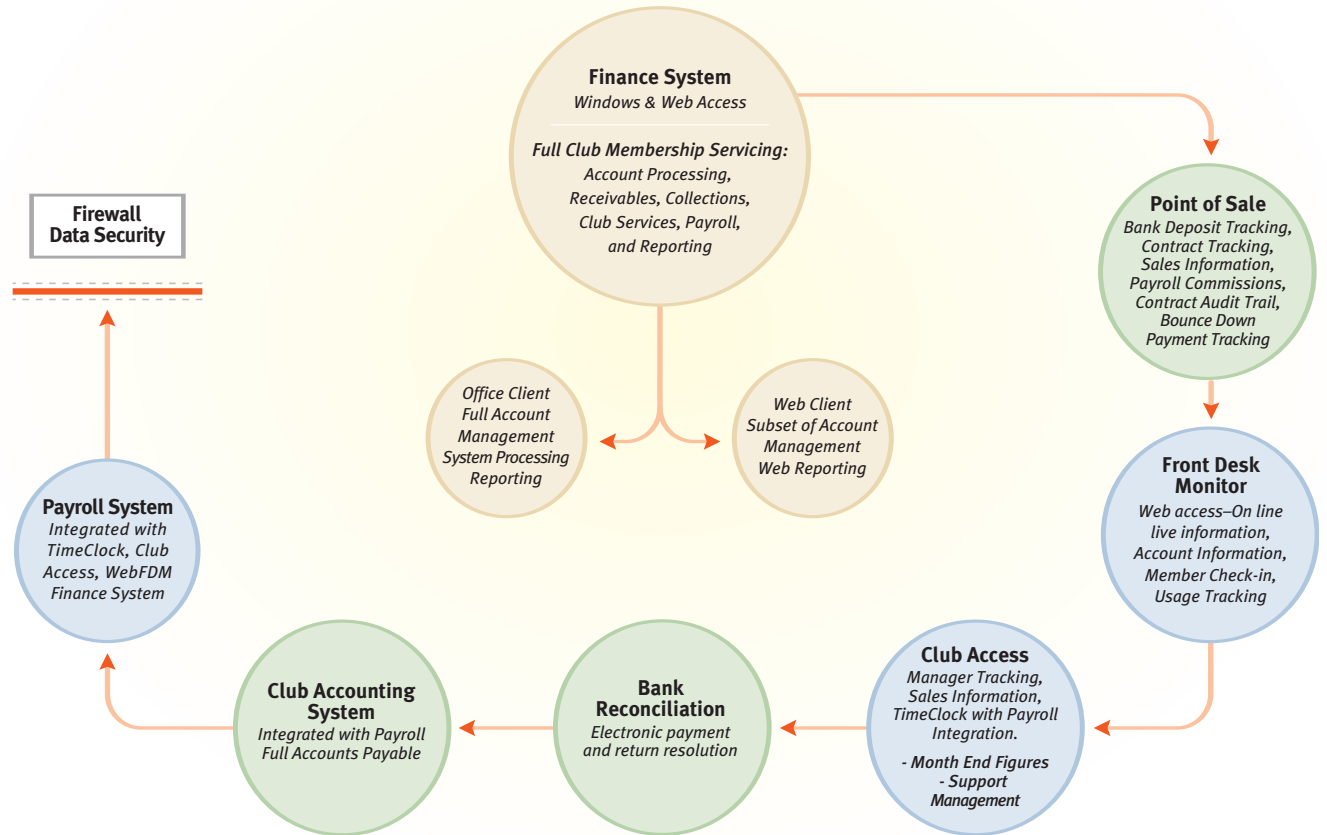

–Bob Rice
A founding father of
the American fitness industry
